

EDIBLE HANGING BASKET: Sweets & Treats

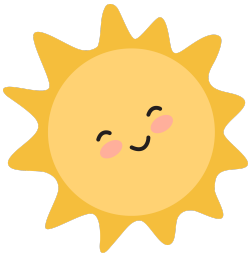

PLANTS INCLUDED

Lavender, Dianthus, Mint Chocolate, Strawberry, Begonia, Lemon Balm

WATERING GUIDELINES

Don't let the baskets dry out. Keep them moist, but not too wet. Try to keep water off of the foliage.

SUN EXPOSURE GUIDELINES

Plants will thrive in medium to full sun.

COMMON THREATS AND PESTS

Aphids and spider mites are most common. There is also possibility of caterpillars eating the leaves, as is common in many gardens.

FACTS AND COMMENTS

All plants included in this basket are edible! Flowers provide a sweet taste and are decorative.

Trim and prune regularly to help produce blooms and new foliage. Use organic fertilizer if intending to consume.
