

# EDIBLE HANGING BASKET: Tropical Punch

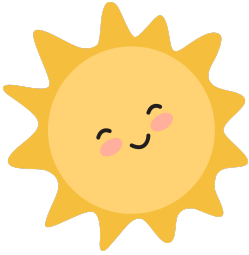

## PLANTS INCLUDED

Begonia Red, Fuchsia, Lemon Balm, Dianthus, Parsley

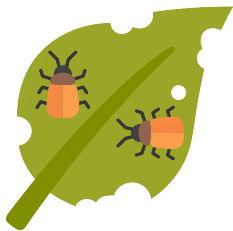

## WATERING GUIDELINES

Don't let the baskets dry out. Keep them moist, but not too wet. Try to keep water off of the foliage.

## SUN EXPOSURE GUIDELINES

Plants will thrive in medium to full sun.

## COMMON THREATS AND PESTS

Aphids and spider mites are most common. There is also possibility of caterpillars eating the leaves, as is common in many gardens.

## FACTS AND COMMENTS

All plants included in this basket are edible! Flowers provide a sweet taste and are decorative. Trim and prune regularly to help produce blooms and new foliage. Use organic fertilizer if intending to consume.
