

AQUATOPIA

WEDDINGS & EVENTS
2025 DECOR CATALOGUE

HELLO FROM THE FLORAL AND DECOR DEPARTMENT!

We are thrilled that you have chosen Aquatopia for your Wedding and we cannot wait to create a beautiful day for you.

This catalogue is meant to show you what decor items we currently have in-house at Aquatopia, but it is not an extensive list of the options that you have for the look and feel for your wedding day.

Over the years, we have fostered relationships with various rental companies in the Ottawa area and have access to endless items to perfectly execute the vision that you have.

Don't see something in here that you are looking for? No worries! Simply send us an email and we can discuss your vision further!

Sincerley,

Jen
